Dear Mr. Love:

It is with great pleasure that I have signed for the Department of the Army, the cooperative agreement between the Boy Scouts of America and the Corps of Engineers. I view this agreement as a real opportunity for both our organizations to provide a positive influence on America's young people and their attitudes toward our Nation's water resources.

I have kept one copy for our use, and am returning the other to you.

Again, thank you for providing a vehicle through which both our organizations can work together toward achieving our mutual goals.

Sincerely,

A handwritten signature in black ink, appearing to read "Robert K. Dawson", written in a cursive style.
